With reference to the attached letter dated August 9, 1937, referring to the publication in Shanghai of a monthly journal entitled "International Digest", enquiries at the local office of National Economic Security Enterprise, Inc., 211, Yuen Ming Yuen Road, publishers of the aforementioned journal, indicate that the periodical will not be published until the present hostilities have been concluded and until conditions in the International Settlement have returned to a state of normalcy.

An interview with Mr. C.A. Uy who states that he is a travelling representative of the publishers revealed that Mr. A.M.
